

ATTENTION SHOOTERS ATTENDING THE 2017 ZONE 7 SKEET CHAMPIONSHIPS

REGARDING AMMUNITION FOR THE SHOOT

Local shooters in Las Vegas recommend that you make arrangements for ammunition prior to arriving in Las Vegas for the 2017 Zone 7 Skeet Championships.

The Clark County Shooting Complex carries a limited supply of small gauge ammunition. There are some sporting good stores in North Las Vegas that may have small gauge ammunition but you should not depend on it being in stock for the shoot.

If you know of someone driving to the shoot, consider asking them to bring yours.

Another option is to place an order online with sporting goods store and have it shipped to the club or local store. Many offer free shipping.

- Academy.com: Winchester AA purchases at Academy can be by the box
